

Nomad opportunity in North Queensland

Camp Kanga is looking for a single or couple to assist the current Managers/Caretakers with the daily camp operations.

We are looking for a single or couple with own van/ motorhome that are practical, outgoing and both fit enough to help with minor maintenance and mowing, cleaning of amenities and accommodation as well as some reception duties.

In return we would provide a site with free power and water. Work hours are flexible.

Applicants must have a 'blue card' (working with children), or be prepared to obtain one. A current first aid certificate would be an asset.

Camp Kanga is located close to Peter Faust Dam, Proserpine, North Queensland. Approximate 45 minute drive from Airlie Beach, Shute Harbour and the Whitsunday Islands. Lake Proserpine activities include barramundi fishing, water skiing and canoeing.

Run by the Lions Clubs of North Queensland, Camp Kanga offers endless fun and activities for groups, school camps, community camps, holidaymakers and anglers. Set on 4.7 hectares of bushland that attracts a variety of flora and fauna and is an important habitat of the endangered Proserpine Rock Wallaby.

Camp facilities include a large commercial kitchen, BBQ areas, meeting hall, accommodation rooms and indoor and outdoor recreation facilities.
